

Flood Emergency Assistance Policy

Flood Emergency Assistance Policy (Policy No. CL&H;_04/26) – Type: Policy. Applicable to all sectors under City Holdings Group and all local employees affected by flood-related disasters. Brief Description: This policy provides one-time financial assistance to employees and their immediate families who suffer verified loss, property damage, injury, displacement, or fatality due to flooding or flood-related events. Effective Date: 01 July 2026. Approved by: Group CEO. Prepared by: Group Corporate Affairs and Human Resources. Responsible Functions: Group Corporate Affairs and Human Resources. Responsible Officer: Corporate Affairs Director and Head of Human Resources. Applies To: All eligible local employees of City Holdings Group. Reason for Policy: To support employee welfare, provide emergency financial relief, strengthen organizational resilience, and assist employees and their families in recovering from flood-related impacts. Introduction: City Holdings Group recognizes that floods can severely affect employees' safety, wellbeing, housing, livelihoods, transportation, and family stability; therefore, the Company is committed to providing timely assistance during emergencies. Policy Statement: The Company shall provide one-time emergency cash assistance based on verified impact and supporting documentation. Purpose: To provide immediate relief, support recovery efforts, reduce financial hardship, and demonstrate the Company's commitment to employee wellbeing. Scope and Beneficiaries: All local employees directly affected by a verified flood event. Exclusions: Claims without supporting evidence, damages unrelated to the flood, fraudulent claims, expatriate staff where local policy does not apply, and applications submitted beyond the approved reporting period. Assistance Structure and Payout Tiers: Tier 1 Minor Property Damage – MMK 300,000; Tier 2 Moderate Property Damage – MMK 500,000; Tier 3 Severe Property Damage – MMK 1,000,000; Tier 4 Complete Loss of Home – MMK 2,000,000; Tier 5 Serious Injury or Hospitalization – MMK 1,500,000; Tier 6 Fatality Support – MMK 3,000,000. Annual Budget Allocation: Emergency Relief Fund MMK 50,000,000; Housing Recovery Support MMK 30,000,000; Medical Assistance Support MMK 15,000,000; Bereavement and Family Support MMK 5,000,000; Total Annual Budget MMK 100,000,000. Definitions: Company means City Holdings Group and its business units; Immediate Family Member means spouse, children, parents, or dependents; Flood Event means an officially recognized flood, flash flood, river overflow, storm surge, or water-related natural disaster; Verified Damage means damage supported by acceptable evidence. Required Documents include application form, photographs, official reports, local authority verification, medical records, death certificates where applicable, and identification documents. Related Forms: Flood Emergency Assistance Application Form. Review and Governance: This policy shall be reviewed annually, funding levels may be adjusted by Management, and all approvals shall be subject to verification and budget availability. History: Version FY26-27 Initial Draft issued on 03 July 2026.
