

Cross-Field Test Policy

Type: Guideline

Policy Title: Cross-Field Test Policy

Policy Number: POL-XF-2026-99

Functional Area(s): Information Security, Compliance, Risk Management

Brief Description: This guideline verifies the cross-field dedup rules and officer inheritance.

Effective Date/Period: 1 January 2026

Approved by: Casey Rivera

Prepared by: Morgan Patel

Responsible Function(s): Information Security, Compliance

Supersedes: POL-XF-2026-99; Legacy Information Security Manual

Last Reviewed: 1 January 2026

Applies to: Information Security, All employees, Contractors

Reason for Policy: To verify that cross-field heuristics fire correctly on any new file without per-file hardcoding.
